

16270.TXT

Make sure that equipment is available for cooling the vessels, to prevent the danger of overpressure and overheating in the event of fire in the vicinity. Refer to the other sections of this data sheet for information relating to health and environmental risks.

Safety data sheet: MB DRAGON'S BLOOD 16270 - 2 -  
 Printed on ..... 3.09.2000 Revision n. 2 Dated 3.09.2000

#### 8. Exposure controls/personal protection.

Follow the good industrial hygiene practices adopting suitable individual protective measures such as gloves and overalls. Do not eat or smoke while handling the product. Wash hands before eating and at the end of the work shift. Periodic health controls are recommended at the discretion of the doctor.

#### 9. Physical and chemical properties

Appearance .....	Paste
Colour .....	Deep red
Odour .....	Arabic gum
Flash point .....	> 56ø
Solubility .....	Insoluble, dilute with water
Viscosity .....	23000 cps
Specific gravity.....	20ø 1,390 kg/l 0,2

#### 10. Stability and reactivity

The product is stable in normal conditions of use and storage. In the event of thermal decomposition or fire, vapours potentially dangerous to health may be released.

#### 11. Toxicological information

No episodes of damage to health following exposure to the product have been reported. In any case it is advisable to operate according to good industrial hygiene practices.

#### 12. Ecological information

Use in accordance with good working practices, avoiding dispersion of the product in the environment. In sections n° 10 and 16, data and judgements expressed on aquatic toxicity, mobility, persistence, and biodegradability, and bioaccumulation potential are reported.

#### 13. Disposal considerations

To discharge observing the local laws in force.

#### 14. Transport informations
