# SCRATCH-ART COMPANY, INC.

460 DEDHAM STREET · NEWTON CENTER, MASSACHUSETTS 02159 · (617) 527-6184

To Whom It May Concern:

With respect to the federal OSHA Hazard Communication Standard, which went into effect on November 25, 1985, SCRATCH-ART COMPANY has investigated the applicability of this standard to our products.

The regulations state that articles which have specific shape or design and which do not release or otherwise result in exposure to a hazardous chemical under normal conditions of use, are exempt.

Accordingly, it is our opinion that there are no provisions in the present OSHA Standards which apply to our products requiring the preparation of MSDS forms.

Very truly yours,  
SCRATCH-ART COMPANY, INC.
