MATERIAL SAFETY DATA SHEET

Health- environment- and safety data sheet

Date of Issue: 1/22/2008
Date of revision 9/16/2005

Page: 1(3)
DELTASAND Lightweight

PRODUCT NAME:	DELTASAND Lightweight
PRODUCT CODE:	
RANGE OF APPLICATION:	

SUPPLIER:	Delta of Sweden AB
ADDRESS:	Gjutaregatan 10 C
POSTAL CODE AND CITY:	S-302 60 HALMSTAD
TELEPHONE:	035-10 16 00
EXECUTOR:	Staffan Thuresson
RESPONSIBLE:	Staffan Thuresson

CHEMICAL/ TECHNICAL PRODUCT DESCRIPTION :	Solvent free preparation of polyolefinic polymers and microspheres
CHEMICAL NATURE	
MARKING:	Not obliged
HAZARD LABELLING:	None

HAZARDOUS COMPONENTS:	No hazardous properties
------------------------------	-------------------------

GENERAL:	If slightest insecurity or trouble remains, contact medical care
EYE CONTACT:	Rinse the eye with water until the particles of sand are removed. If sand is still in the eye, contact medical care.
INGESTION:	Rinse the mouth when large amounts has been consumed, consult medical care. The product is difficult to digest.

EXTINGUISHING AGENTS:	Water, foam, powder, CO2
UNSUITABLE AGENTS:	
COMBUSTION PRODUCTS:	CO, CO2

MATERIAL SAFETY DATA SHEET

DELTASAND Lightweight

PERSONNEL PRECAUTIONS: Not relevant
ENVIRONMENTALLY PRECAUTIONS: Not relevant
CLEANING METHOD: Mechanically collected

HANDLING: Not relevant
STORAGE: Stored indoors, at room temperature.
CONTAINER: Original container or other similar packaging.

PERSONAL PROTECTIVE EQUIPMENT: Not relevant

PHYSICAL STATE: Soft, sandy and firm mass.
ODOUR: Practically odourless.
COLOUR: According to respectively pigmentation.
MELTING-POINT: 80°C. regarding the coat of polymer.
BOILING-POINT: Above 200°C. regarding the coat of polymer.
FLAMMABILITY: Above 200°C. regarding the coat of polymer.
EXPLOSION PROPERTIES: Not relevant
DENSITY: 0.45 - 0,50 g/cm³ depending on the state of packing and product.
SOLUBILITY: Insoluble in water

STABILITY: Not relevant.
CIRCUMSTANCES TO AVOID: Too high storage temperature, more than 60 deg celsius may result in hardening of the material.

HAZARDOUS DECOMPOSITION PRODUCTS: Not relevant

ACUTE TOXICITY: Not known
LOCAL EFFECTS: Not known

DELTASAND Lightweight

ENVIRONMENTAL EFFECTS: Not known

PRODUCT WASTE: Handle as industrial waste.
When wasting larger amounts, council local authorities.

CONTAMINATED PACKAGING: Handle as industrial waste.

INTERNATIONAL RULES: Transport according to national legislation and ADR regarding road, RID regarding railroad, IMDG regarding sea and ICAO/IATA regarding air.
The product is not classified as a hazardous product.

MARKING ACCORDING TO EC GUIDELINES: Not obliged
CONTENTS: Sand preparation without additives injurious to the health.
HAZARD LABELLING: None
SECURITY LABELLING: None
LEGISLATION: Product tested according to the EN-71, ASTM D-4236 standard

GENERAL: All information in this Material Safety Data Sheet is founded upon available data, our own experience and laboratory results. The waxes used in the product is general to medical- and food applications. However, we can not be responsible to the product in case of it being used in an inappropriate way, under circumstances that the product is being stored and handled out of our control.
