- Tacky Glue
- Activity Sheet

V-360

Tests Conducted

Following testing was performed on individual components, as applicable:

- Mechanical / Physical Safety per 16 CFR and ASTM F963-96a
- Flammability per 16 CFR 1500.44 and ASTM F963-96a
- Heavy Metals Analysis per 16 CFR 1303 and ASTM F963-96a
- CONEG Regulations
- LHAMA Evaluation per ASTM D4236
- Labeling Review per 16 CFR 1500.19 and 1500.121

Results

Based on test results of individual components as well as review of final product and packaging, Creativity Street™ conforms to applicable requirements. See "Summary of Test Results" attached.

		5/3/98	Flammability CONEG LHAMA	Pass Pass Pass

LABELING REVIEW

Final packaging of the Creativity Street activity kit was reviewed. Product complies with all required statements and warnings, as follows:

- Age grading was present and appropriate. Product is age graded for "Ages 5 to Adult"
- Small parts warning statement per 16 CFR 1500.19 is required and present. The signal word "Warning" should appear on the same line as the triangle, per 16 CFR 1500.19. Type size and placement of warning per 16 CFR 1500.19 and 1500.121 is acceptable.
- Cautionary statement regarding functional sharp points per ASTM F963-96a is required and present. Signal word "Caution" should appear on the same line as the triangle.
- Producer markings per ASTM F963-96a were present.
- Country of origin is present.
- LHAMA conformance statement, "conforms to ASTM D-4236" is included for Wax Works. This statement can also be included for Pom Pons and Chenille Stems. Tacky Glue includes LHAMA conformance statement on individual bottle.
