# **Safety Data Sheet**

 Version: 1
 Print date: 03.01.2021

 Revision date: 03.01.2023

#### SECTION 1: Identification of the substance/mixture and of the company/undertaking

#### 1.1 Product identifier:

Natural Face Paint - Brown

\_\_\_\_\_

#### 1.2. Relevant identified uses of the substance or mixture

Natural Face Paint – Brown is a creamy paint used on the skin of the face and body.

## 1.3 Details of the supplier of the safety data sheet:

#### Supplier:

Name: Natural Earth Paint (Earth Paints LLC) Address: 330 E. Hersey St. #7 Ashland, OR 97520

www.naturalearthpaint.com

E-Mail: info@naturalearthpaint.com

#### 1.4 EMERGENCY TELEPHONE NUMBER:

541-631-3437

### **SECTION 2: Hazards identification**

#### 2.1. Classification of the substance or mixture:

This mixture is not classified as dangerous according to Directive 67/548 / EEC and its amendments.

For more details on health consequences and symptoms, see section 11.

\_\_\_\_\_

#### 2.2 Label elements

## Labelling according to Regulation (EC) No 1272/2008 [CLP/GHS]

No labeling element is required

#### 2.3 Other hazards

The mixture does not meet the criteria for PBT or vPvB substances according to Annex XIII of REACH Regulation (CE) No 1907/2006

#### SECTION 3. Composition/information on ingredients

#### 3.1 Substances

Version: 1 Page 3 of 4 Print date: 03.01.2021 Revision date: 03.01.2023

### **SECTION 7: Handling and storage**

No special measures required

#### **SECTION 8: Exposure controls/personal protection**

Natural Face Paint - Brown is considered non-toxic.

Hand Protection: This product is non-irritating, therefore protection is not essential.

Eye Protection: Do not apply directly to eyes, may cause irritation.

Body Protection: None needed.

\_\_\_\_\_

#### SECTION 9. Physical and chemical properties

Physical State: Cream

Colors: brown Odor: odorless

Ph: 7

Melting Point: not available Bulk density: 685 g / I Solubility: insoluble

Flammability: Not applicable. This product is not flammable and does not provide conditions

favourable to combustion.

Specific Gravity: 2.35

Explosive limits: Not applicable

## **SECTION 10: Stability and reactivity**

The product is stable

Under normal conditions of storage and use, no hazardous decomposition products should appear.

#### **SECTION 11: Toxicological information**

Any effects of chronic toxicity or sensitization are virtually excluded by that natural iron oxide pigments are a natural mineral of the earth's surface and in a dissolved state, a natural constituent of water in nature.

Inhalation: No known significant effects or critical hazards. Ingestion: No known significant effects or critical hazards

Item Numbers: 00522-1009 Page 3 of 40

# **Safety Data Sheet**

Version: 1 Print date: 03.01.2021 Revision date: 03.01.2023

Skin contact: No known significant effects or critical hazards Eye contact: Direct contact may possibly lead to eye irritation.

If the product is handled properly, it has no harmful effects according to our experiences and information.

### **SECTION 12: Ecological information**

Ingredients are plant, mineral and animal based and therefore adverse effects on the environment can be excluded. Iron oxide pigment does not biodegrade.

#### **SECTION 13: Disposal considerations**

Method of Disposal: Dispose of in accordance with local and national regulations governing waste. This product is not considered a hazardous waste.

\_\_\_\_\_

#### **SECTION 14: Transport information**

This product is not subject to labelling. No special conditions.

#### **SECTION 15: Regulatory information**

Natural Face Paints are not classified as dangerous goods.

INDEX No (SKU): 189 REACH No: no

Natural Face Paint - Red is not classified as dangerous for supply or transport.

This product does not contain any ingredients that are hazardous to require a statement in this section, in accordance with EU regulations or national regulations.

REACH: this preparation is not subject to reach

NEACH. this preparation is not subject to reach

#### **SECTION 4:** First aid measures

#### Description of first aid measures

Following eye contact: Rinse immediately with plenty of water. If irritation persists seek medical attention.

Following ingestion: This product is non-toxic

**SECTION 5: Firefighting measures** 

This mixture is not flammable.

SECTION 6: Accidental release measures

None Needed

Item Numbers: 00522-1009 Page 22 of 40

# **Safety Data Sheet**

Version: 1 Page 3 of 4 Print date: 03.01.2021 Revision date: 03.01.2021

### **SECTION 7: Handling and storage**

No special measures required

#### SECTION 8: Exposure controls/personal protection

Natural Face Paint - Red is considered non-toxic.

Hand Protection: This product is non-irritating, therefore protection is not essential.

Eye Protection: Do not apply directly to eyes, may cause irritation.

Body Protection: None needed.

\_\_\_\_\_

#### SECTION 9. Physical and chemical properties

Physical State: Cream

Colors: red Odor: odorless

Ph: 7

Melting Point: not available Bulk density: 685 g / I Solubility: insoluble

Flammability: Not applicable. This product is not flammable and does not provide conditions

favourable to combustion.

Specific Gravity: 2.35

Explosive limits: Not applicable

## **SECTION 10: Stability and reactivity**

The product is stable

Under normal conditions of storage and use, no hazardous decomposition products should appear.

### **SECTION 11: Toxicological information**

Any effects of chronic toxicity or sensitization are virtually excluded by that natural iron oxide pigments are a natural mineral of the earth's surface and in a dissolved state, a natural constituent of water in nature.

Inhalation: No known significant effects or critical hazards. Ingestion: No known significant effects or critical hazards

Item Numbers: 00522-1009 Page 23 of 40
