## Safety Data Sheet – Burnt Umber Pigment

Revision date: 12/10/2024

### 5. FIREFIGHTING MEASURES

The mixture is not flammable.

In case of fire, use water spray (fog), foam, dry chemical, or carbon dioxide

### 6. ACCIDENTAL RELEASE MEASURES

Provide adequate ventilation.

Wear appropriate personal protective equipment (PPE).

Avoid dispersal, prevent spillage, and avoid contamination of soil, water bodies, sewers, or drains.

### 7. HANDLING AND STORAGE

No special measures required.

Wash hands, forearms, and face after handling.

Recommended: dust mask.

Avoid eye contact; use approved eye protection.

Select body PPE according to the task and risk involved.

### 8. GENERAL INFORMATION

**Physical state:** Powder

**Color:** Dark brown

**Odor:** Odorless

**pH:** Not available

**Melting point:** Not available

**Bulk density:** 831 g/L

**Solubility:** Insoluble

### 9. STABILITY AND REACTIVITY

The product is stable.

Under normal storage and use, no hazardous decomposition products are expected.

### 10. TOXICOLOGICAL INFORMATION

**Inhalation:** No known significant effects or critical hazards.

**Ingestion:** No known significant effects or critical hazards.

**Skin contact:** No known significant effects or critical hazards.

**Eye contact:** Exposure to concentrations above statutory or recommended limits may possibly cause eye irritation.

When handled properly, the product has no harmful effects according to available information and experience.

The product is not biodegradable.

No significant adverse effects are known.

### 11. DISPOSAL CONSIDERATIONS

## Safety Data Sheet – Burnt Umber Pigment

Revision date: 12/10/2024

Check the suitability of the product for reuse.

Uncleaned waste and packaging must be sealed, labeled, and disposed of at an authorized destruction or recycling center according to national legislation. Consult the manufacturer for large quantities.

Inform recipients of empty containers of potential risks from residual product.

For disposal in the EU, use the relevant European Waste List (EWL/LED) code.

Waste producers must classify their waste according to category and process code of the European Waste List.

To the best knowledge of the supplier, this product is not considered hazardous waste under EU Directive 91/689/EEC.

### 12. REGULATORY INFORMATION

This product is not subject to labeling.

No special conditions.

#### **Safety, Health, and Environmental Regulations / Legislation specific for the substance or mixture**

Classification and labeling information in Section 2 considers the following regulations:

- Regulation (EC) No 1272/2008, amended by Regulation (EU) No 487/2013
- Regulation (EC) No 1272/2008, amended by Regulation (EU) No 758/2013
- Regulation (EC) No 1272/2008, amended by Regulation (EU) No 944/2013
- Regulation (EC) No 1272/2008, amended by Regulation (EU) No 605/2014
- Regulation (EC) No 1272/2008, amended by Regulation (EU) No 1297/2014

**Packaging information:** No data available

**Specific provisions:** No data available

**Chemical Safety Assessment:** No data available
