**Conformity**

STAEDTLER pigment brush pen 371 meets the standards:

ISO 11540 'Caps for writing and marking instruments intended for use by children up to 14 years of age – Safety requirements'.

ASTM D-4236 These products are tested by ACMI (Art & Creative Material Institute) and conform to the US-Standard ASTM D-4236. According to the standard, a qualified toxicologist tests the products.

The products meet the Regulations (EC) No 1907/2006 (REACH) concerning the Registration, Evaluation, Authorization and Restriction of Chemicals. In accordance with REACH Regulation, Article 33, you will find our current articles subject to mandatory reporting under the following link <https://www.staedtler.com/REACH>

**Usage notes**

Multi Ink: premium pigments, extreme lightfastness, exceptional colour brilliance, smudge-free overpainting once the ink has dried, no ghosting, no bleeding, for almost all surfaces, permanent, waterproof.  
Erase proof on most surfaces.  
Easily controllable, stable brush nib.  
The ideal allrounder for brush letterings, drawings, mangas, illustrations or colouring.  
Store horizontally.

**Staedtler** has been certified to ISO 9001 and ISO 14001 and considered in the selection of raw materials and their processing in the relevant national and international laws to protect the users.
