

#### Prismacolor Watercolor Pencils

## Section 1. Identification

: Prismacolor Watercolor Pencils **GHS** product identifier

**Product code** 

4066

Other means of identification

Not available.

**Product type** 

: Solid

Relevant identified uses of the substance or mixture and uses advised against

Not applicable.

**Manufacturer** Sanford, L.P.

6655 Peachtree Dunwoody Road

Atlanta, GA 30328 1-800-346-3278

**Emergency telephone** number (with hours of

operation)

: CHEMTREC (U.S. and Canada) 1-800-424-9300 CHEMTREC (Outside the U.S.) +1-703-527-0585

## Section 2. Hazards identification

OSHA/HCS status : While this material is not considered hazardous by the OSHA Hazard Communication

Standard (29 CFR 1910.1200), this SDS contains valuable information critical to the safe handling and proper use of the product. This SDS should be retained and available

for employees and other users of this product.

Classification of the substance or mixture : Not classified.

**GHS label elements** 

Signal word : No signal word.

: No known significant effects or critical hazards. **Hazard statements** 

**Precautionary statements** 

**Prevention** : Wash hands thoroughly after handling.

: IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical Response

attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get

medical attention.

**Storage** : Not applicable. Not applicable. **Disposal Hazards not otherwise** 

classified

: None known

# Section 3. Composition/information on ingredients

Substance/mixture Other means of Not available. identification

There are no ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified and hence require reporting in this section.

## Section 4. First aid measures

#### **Description of necessary first aid measures**

**Eye contact** : Immediately flush eyes with plenty of water, occasionally lifting the upper and lower

eyelids. Check for and remove any contact lenses. Get medical attention if irritation

occurs.

**Inhalation** : Get medical attention if adverse health effects persist or are severe.

**Skin contact**: Flush contaminated skin with plenty of water. Get medical attention if irritation develops.

Wash clothing before reuse.

Ingestion : Do not induce vomiting unless directed to do so by medical personnel. Get medical

attention if adverse health effects persist or are severe.

#### Most important symptoms/effects, acute and delayed

#### Potential acute health effects

Eye contact: No known significant effects or critical hazards.Inhalation: No known significant effects or critical hazards.Skin contact: No known significant effects or critical hazards.Ingestion: No known significant effects or critical hazards.

#### Over-exposure signs/symptoms

Eye contact: No specific data.Inhalation: No specific data.Skin contact: No specific data.Ingestion: No specific data.

#### Indication of immediate medical attention and special treatment needed, if necessary

Notes to physician : Treat symptomatically. Contact poison treatment specialist immediately if large

quantities have been ingested or inhaled.

Specific treatments : No specific treatment.

Protection of first-aiders : No action shall be taken involving any personal risk or without suitable training.

#### See toxicological information (Section 11)

# Section 5. Fire-fighting measures

#### **Extinguishing media**

Suitable extinguishing

media

: Use an extinguishing agent suitable for the surrounding fire.

Unsuitable extinguishing

media

: None known.

Specific hazards arising from the chemical

Hazardous thermal decomposition products

: No specific fire or explosion hazard.

: Decomposition products may include the following materials: carbon dioxide

carbon monoxide

Special protective actions for fire-fighters

: Promptly isolate the scene by removing all persons from the vicinity of the incident if there is a fire. No action shall be taken involving any personal risk or without suitable training.

Special protective equipment for fire-fighters

Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode.

## Section 6. Accidental release measures

Personal precautions, protective equipment and emergency procedures

For non-emergency

: No special measures are required.

personnel

For emergency responders : No special measures required.

**Environmental precautions** : No special measures are required.

#### Methods and materials for containment and cleaning up

Small spill : Dispose of according to all federal, state and local applicable regulations. Large spill : Dispose of according to all federal, state and local applicable regulations.

## Section 7. Handling and storage

#### Precautions for safe handling

**Protective measures** : Do not ingest. Avoid contact with eyes, skin and clothing. Wash thoroughly after

handling.

Advice on general occupational hygiene : Not applicable

Conditions for safe storage, : Not applicable

including any incompatibilities

## Section 8. Exposure controls/personal protection

#### **Control parameters**

Occupational exposure limits

None.

**Appropriate engineering** 

controls

: Good general ventilation should be sufficient to control worker exposure to airborne

contaminants.

**Environmental exposure** 

controls

: Not applicable

#### **Individual protection measures**

Hygiene measures : Not applicable Eye/face protection : Not applicable

Skin protection

**Hand protection** : Not applicable : Not applicable **Body protection** : Not applicable Other skin protection : Not applicable Respiratory protection

# Section 9. Physical and chemical properties and safety characteristics

The conditions of measurement of all properties are at standard temperature and pressure unless otherwise indicated.

#### **Appearance**

: Solid. **Physical state** 

: Not available. Color Odor : Not available. Odor threshold Not available.

# Section 10. Stability and reactivity

No specific test data related to reactivity available for this product or its ingredients. Reactivity

**Chemical stability** : The product is stable.

Possibility of hazardous reactions

: Under normal conditions of storage and use, hazardous reactions will not occur.

**Conditions to avoid** : No specific data.

Incompatible materials : No specific data.

**Hazardous decomposition** products

: Under normal conditions of storage and use, hazardous decomposition products should not be produced.

# Section 11. Toxicological information

#### Information on toxicological effects

**Acute toxicity** 

Not available.

**Irritation/Corrosion** 

Not available.

**Sensitization** 

Not available

Mutagenicity

Not available.

## Section 13. Disposal considerations

#### **Disposal methods**

: The generation of waste should be avoided or minimized wherever possible. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Dispose of surplus and non-recyclable products via a licensed waste disposal contractor. Waste should not be disposed of untreated to the sewer unless fully compliant with the requirements of all authorities with jurisdiction. Waste packaging should be recycled. Incineration or landfill should only be considered when recycling is not feasible. This material and its container must be disposed of in a safe way. Empty containers or liners may retain some product residues. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and

## Section 16. Other information

## Hazardous Material Information System (U.S.A.)

Caution: HMIS® ratings are based on a 0-4 rating scale, with 0 representing minimal hazards or risks, and 4 representing significant hazards or risks. Although HMIS® ratings and the associated label are not required on SDSs or products leaving a facility under 29 CFR 1910.1200, the preparer may choose to provide them. HMIS® ratings are to be used with a fully implemented HMIS® program. HMIS® is a registered trademark and service mark of the American Coatings Association, Inc.

The customer is responsible for determining the PPE code for this material. For more information on HMIS® Personal Protective Equipment (PPE) codes, consult the HMIS® Implementation Manual.

### National Fire Protection Association (U.S.A.)

#### Procedure used to derive the classification

Not classified.
