Conformity

STAEDTLER Textsurfer 364 meets the standards:

ISO 11540 "Caps for writing and marking instruments intended for use by children up to 14 years of age – Safety requirements".
Ventilated caps reduce the danger of asphyxiation for children up to the age of 14 should caps be swallowed accidentally.

ASTM D-4236 These products are tested by ACMI (Art & Creative Material Institute) and conform to the US-Standard ASTM D-4236. According to the standard, a qualified toxicologist tests the products.

The product meets the Regulations (EG) No. 1907/2006 (REACH) and No. 1272/2008 (CLP) concerning the Registration, Evaluation, Authorization and Restriction of Chemicals.
In accordance with REACH Regulation 1907/2006/EC, Article 33, you will find our current articles subject to mandatory reporting under the following link <https://www.staedtler.com/REACH>

Usage notes

Highlighter - Ideal for marking text and colouring larger areas.
Water-based ink.
Black highlighter covers up text and lines, however, they still remain legible.
Illegible after copying.

Staedtler has been certified to ISO 9001 and ISO 14001 and considered in the selection of raw materials and their processing in the relevant national and international laws to protect the users.
