SAFETY DATASHEET

Revision: 19

1 January 2022 Gilders® paste wax

(Metallic Wax)

1. Identification

Product identifier

Product name: Gilders® paste wax (Baroque Art gilders paste)Made in the USA.

Product ID: African Bronze, Antique Gold, Bronze, Celtic Bronze, Copper,

Foundry Bronze, German Silver, Gold, Inca Gold, Rich Gold, Silver

Recommended use of the chemical and restrictions on use

Application: Metallic Wax

Hazard statements

Danger

H228 Flammable solid.

H315 Causes skin irritation.

H319 Causes serious eye irritation.

H334 May cause allergy or asthma symptoms or breathing difficulties if inhaled.

H335 May cause respiratory irritation.

H373 May cause damage to organs through prolonged or repeated exposure.

Precautionary statements

P210 Keep away from heat, sparks, open flames, and hot surfaces. No smoking.

P240 Ground/bond container and receiving

equipment. P241 Use explosion-proof electrical

equipment.

P260 Do not breathe vapor/spray. P261 Avoid breathing vapor/spray.

P264 Wash contaminated skin thoroughly after handling.

P271 Use only outdoors or in a well-ventilated area.

P280 Wear protective gloves/protective clothing/eye protection/face protection.

P284 [In case of inadequate ventilation] wear respiratory protection.

P302+P352 If on skin: Wash with plenty of water.

P304+P340 If inhaled: Remove person to fresh air and keep comfortable for breathing. P305+P351+P338 If in eyes: Rinse cautiously with water for several minutes. Remove

contact lenses if present and easy to do. Continue rinsing. P312 Call a poison center/doctor if you feel unwell.

P314 Get medical advice/attention if you feel unwell.

P321 Specific treatment (see medical advice on this label).

P332+P313 If skin irritation occurs: Get medical advice/attention. P337+P313 If eye irritation persists: Get medical advice/attention.

P342+P311 If experiencing respiratory symptoms: Call a poison center/doctor.

P362+P364 Take off contaminated clothing and wash it before reuse.

P370+P378 In case of fire: Use foam, carbon dioxide, dry powder, or water fog to extinguish.

P403+P233 Store in a well-ventilated place. Keep the container tightly closed.

P405 Store locked up.

P501 Dispose of contents/container in accordance with national regulations.

Supplemental label information

WARNING: FLAMMABLE. IT MAY BE HARMFUL IF SWALLOWED. VAPOR HARMFUL.

Contains: COPPER, PETROLEUM DISTILLATES

PRECAUTIONS: Avoid ingestion. Wash hands immediately after use. When using, do not

eat, drink or smoke. Do not store

or use near heat or flame. Use only with adequate ventilation. KEEP OUT OF REACH OF

CHILDREN.

FIRST AID TREATMENT: If inhalation symptoms occur, move to fresh air. If symptoms

persist, see a physician. If

swallowed, get prompt medical attention. For further information, contact a national poison

control number; 800-222-1222.

Contains

s69 solvent, Odorless Spirits

Other hazards

None present.

3. Composition/information on ingredients

Odorless 10-40% **Spirits**

MSDS for #27100 - BARQ ART GILDR PASTE paste wax

(Metallic Wax)

The Full Text for all Hazard Statements is Displayed in Section 16.

Composition comments Only ingredients listed above are notifiable for this product. If none are shown,

then all ingredients are exempt.

4. First-aid measures

Description of first aid measures

Inhalation Move affected person to fresh air at once.

Ingestion Do not induce vomiting. Rinse mouth thoroughly with water. Give a few small glasses of

water or milk to drink. Get medical attention if any discomfort continues.

Skin Contact Wash skin thoroughly with soap and water.

Most important symptoms and effects, both acute and delayed

Inhalation Read Section 2 for any specific precautions associated with this product. In general,

breathing any type of dust/mist can and may aggravate irritation of the throat and lungs.

Ingestion Read Section 2 for any specific precautions associated with the use of this product.

Products with specific warnings about ingestion will give guidance there.

Skin contact Prolonged skin contact may cause redness and irritation.

Indication of immediate medical attention and special treatment needed

Notes for the doctor Treat symptomatically.

5. Fire-fighting measures

Extinguishing media

Suitable extinguishing media Use fire-extinguishing media appropriate for the

surrounding fire.

Special hazards arising from the substance or mixture

Specific hazards The product increases the risk of fire and may accelerate combustion.

Advice for firefighters

Special protective equipment for firefighters Use protective equipment appropriate for surrounding materials.

6. Accidental release measures

Personal precautions, protective equipment, and emergency procedures

Personal safeguards For personal protection, see Section 8.

Environmental precautions

Environmental precautions Avoid spreading dust or contaminated materials.

Methods and material for containment and cleaning up

Methods for cleaning up Collect spillage for reclamation or absorb in vermiculite, dry sand, or similar material.

Reference to other sections For waste disposal, see Section 13. For personal protection, see Section 8.

7. Handling and storage

Precautions for safe handling

Usage precautions Read the label before use. Do not eat, drink or smoke when using this product.

Reasonable personal hygiene procedures should be implemented.

Conditions for safe storage, including any incompatibilities

Storage precautions Store in a tightly closed, original container in a dry and cool place.

Specific end uses(s)

Specific end use(s) The identified uses for this product are detailed in Section 1.2.

8. Exposure Controls/personal protection

Only ingredients listed in Section 3 are notifiable for this product. If none are shown, Ingredient comments

then all ingredients are exempt.

Protective equipment

Appropriate engineering controls

No specific ventilation is required unless the "F.A.N." pictogram is shown above or specified in Section 2. Provide adequate general and local exhaust ventilation.

Hand protection No specific hand protection is required unless the "HAND PROTECTION" pictogram is

shown above or specified in Section 2.

Hygiene measures When using, do not eat, drink or smoke.

Respiratory protection If ventilation is inadequate, suitable respiratory protection must be worn.

9. Physical and Chemical Properties

Information on basic physical and chemical

properties Appearance Colored paste. Color Various colors. Odor Petroleum.

Odor threshold No information available.

рΗ 6-8

Melting point No data available.

Initial boiling point and range No information available.

Flashpoint Closed Cup: 54° C/129.2° F. (Tagliabue)

Evaporation rate No information

available. Flammability (solid, gas) No data

available.

Upper/lower No information is available.

flammability or explosive

limits

Vapor pressure No information available.

Relative density Greater than 1.0 Solubility Not applicable. Partition coefficient No information available. Auto-ignition temperature Not

applicable.

Decomposition Temperature No information

available. Viscosity No data available.

Explosive properties none **Oxidizing properties** none

Other information Not applicable.

10. Stability and reactivity

Reactivity There are no known reactivity hazards associated with this product.

Stability Stable at normal ambient temperatures and when used as recommended.

Possibility of

hazardous reactions

None known.

None known.

Conditions to avoid None known.

Materials to avoid None known.

Hazardous decomposition

products

Information on toxicological effects

Toxicological effects Please read Section 2 thoroughly to understand the toxicological risks (if any)

and precautions for safe use (if any).

Skin corrosion/irritation

Skin sensitization
Skin sensitization

Based on available data, the classification criteria are not met.

Revision: 19

Eye contact May cause temporary eye irritation.

12. Ecological Information

Gilders® paste wax (Metallic Wax)

Ecotoxicity Not regarded as dangerous for the environment.

Toxicity Please read Section 2 thoroughly. If any environmental warnings such as; H411 or H412

are listed in Section 2, please use appropriate procedures when disposing of product

and container. Do not put materials into waterways or sewers.

Persistence and degradability

Persistence and degradability No data available.

Biodegradation Not inherently

biodegradable.

Bioaccumulative potential

Partition coefficient No information available.

Mobility in soil

Mobility Semi-mobile.

Results of PBT and vPvB assessment

This product does not contain any substances classified as PBT or vPvB.

Other adverse effects

Other adverse effects None known.

13. Disposal considerations

General information Dispose of waste product or used containers in accordance with local regulations

14. Transport information

General This package is shipped in accordance with ADR SP375, IATA A197 & IMDG 2.10.2.7.

As supplied, this product is consigned under the Excepted Quantities provisions. For

quantities shipped less than 30ml inner pack, total pack of 500ml
