SAFETY DATA SHEET LUG 56 MAROON

1. Identification		
Product identifier		
Product name	LUG 56 MAROON	
Product number	LUG 56 MAROON	
Recommended use of the che	emical and restrictions on use	
Application	Ceramic underglaze	
Details of the supplier of the s	afety data sheet	
Supplier	American Art Clay Co Inc 6060 Guion Road Indianapolis, IN 46254-1222 USA +1 317 244 6871	
Emergency telephone numbe	<u>r</u>	
Emergency telephone	1 317 244 6871 Mon-Fri, 0900-1700 EST	
2. Hazard(s) identification		
Classification of the substanc	e or mixture	
Physical hazards	Not Classified	
Health hazards	Not Classified	
Environmental hazards	Not Classified	
Label elements		
Hazard statements	NC Not Classified	
Other hazards		
none present.		
3. Composition/information or	n ingredients	
Mixtures		
Composition comments	Only ingredients listed above are notifiable for this product. If none are shown then all ingredients are exempt.	
4. First-aid measures		
Description of first aid measu	res	
Inhalation	Unlikely route of exposure as the product does not contain volatile substances.	
Ingestion	Do not induce vomiting. Rinse mouth thoroughly with water. Give a few small glasses of water or milk to drink. Get medical attention if any discomfort continues.	
Skin Contact	Wash skin thoroughly with soap and water.	
Eye contact	Rinse with water.	
Most important symptoms and effects, both acute and delayed		
Inhalation	Read Section 2 for any specific precautions associated with this product. In general, breathing any type of dust/mist can and may aggravate irritation of the throat and lungs.	

Item Numbers: 30417-3342, 30417-3346

LUG 56 MAROON

Ingestion Read Section 2 for any specific precautions associated with the use of this product. Products with specific warnings about ingestion will give guidance there. Skin contact Read Section 2 for any specific precautions associated with the use of this product. In general most ceramic glazes, clays and special products will tend to have a drying effect on the skin and may cause some sensitivity to users with sensitive skin. Read Section 2 for any specific precautions associated with the use of this product. In general Eye contact most ceramic and special products contain materials that maybe abrasive to eyes. Keeping materials from contacting the eyes is prudent. If contact does occur, flush with clean water, do not rub. Indication of immediate medical attention and special treatment needed Notes for the doctor Treat symptomatically. 5.Fire-fighting measures Extinguishing media Suitable extinguishing media Use fire-extinguishing media suitable for the surrounding fire. Special hazards arising from the substance or mixture Specific hazards The product is not believed to present a hazard due to its physical nature. Advice for firefighters Special protective equipment Use protective equipment appropriate for surrounding materials. for firefighters 6. Accidental release measures Personal precautions, protective equipment and emergency procedures Personal precautions For personal protection, see Section 8. **Environmental precautions Environmental precautions** Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Methods and material for containment and cleaning up Methods for cleaning up Collect spillage for reclamation or absorb in vermiculite, dry sand or similar material. Reference to other sections For waste disposal, see Section 13. For personal protection, see Section 8. 7. Handling and storage Precautions for safe handling Usage precautions Read label before use. Do not eat, drink or smoke when using this product. Good personal hygiene procedures should be implemented. Wash hands and any other contaminated areas of the body with soap and water before leaving the work site. Conditions for safe storage, including any incompatibilities Store in tightly-closed, original container in a dry and cool place. Storage precautions Specific end uses(s) Specific end use(s) The identified uses for this product are detailed in Section 1.2. 8. Exposure Controls/personal protection

Item Numbers: 30417-3342, 30417-3346

Page 2 of 6

LUG 56 MAROON

Ingredient comments	Only ingredients listed n Section 3 are notifiable for this product. If none are shown then all ingredients are exempt.
Exposure controls	
Appropriate engineering controls	No specific ventilations requirements unless the "FAN" pictogram is shown above or specified in Section 2.
Eye/face protection	No specific eye protection required unless the "EYE PROTECTION" pictogram is shown above or specified in Section 2.
Hand protection	No specific hand protection required unless the "HAND PROTECTION" pictogram is shown above or specified in Section 2.
Hygiene measures	Using good personal hygiene practices is always appropriate. Keeping a clean work space, cleaning up properly when done, and not eating, drinking or smoking when using this product.
Respiratory protection	No specific respiratory protection required unless the "RESPIRATOR" pictogram is shown above or specified in Section 2. Using the appropriate certified protection for the operation is important if required.

9. Physical and Chemical Properties

Information on basic physical and chemical properties

Appearance	Colored liquid.	
Color	Various colors.	
Odor	Almost odorless.	
Odor threshold	No information available.	
pН	6-8	
Melting point	No information available.	
Initial boiling point and range	No information available.	
Flash point	No information available.	
Evaporation rate	No information available.	
Flammability (solid, gas)	No information available.	
Upper/lower flammability or explosive limits	No information available.	
Vapour pressure	No information available.	
Relative density	Greater than 1.0	
Solubility(ies)	Not applicable.	
Partition coefficient	No information available.	
Auto-ignition temperature	Not applicable.	
Decomposition Temperature	No information available.	
Viscosity	No information available.	
Explosive properties	none	
Oxidising properties	none	
Other information	Not applicable.	

LUG 56 MAROON

Reactivity There are no known reactivity hazards associated with this product. Stability No particular stability concerns. Possibility of hazardous reactions None known. Conditions to avoid None known. Materials to avoid None known. Hazardous decomposition products None known. 11. Toxicological information Information on toxicological effects Toxicological effects Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any). Skin sensitization Based on available data the classification criteria are not met. Eye contact May cause temporary eye irritation. Ecotoxicity Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers.		
Stability No particular stability concerns. Possibility of hazardous reactions None known. Conditions to avoid None known. Materials to avoid None known. Materials to avoid None known. Hazardous decomposition products None known. Information on toxicological information None known. Information on toxicological information Please read Section 2 thoroughly to understand the toxicological risks, (if any) and procautions for safe use (if any). Skin corresion/irritation Based on available data the classification criteria are not met. Eye contact May cause temporary eye irritation. 12. Ecological Information Please read Section 2 completely. If any environmental warnings such as: H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Toxicoly Please read Section 2 completely. If any environmental warnings such as: H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Porticol Vio data available. Biodegradability No data available. Prestence and degradability No data available. Biodegradation No information available.	10. Stability and reactivity	
Peaciting of hazardous None known. Peacitions to avoid None known. Materials to avoid None known. Materials to avoid None known. Hazardous decomposition products None known. Information on toxicological informator None known. Information on toxicological informator Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any). Skin consisting informator Based on available data the classification criteria are not met. Eye contact May cause temporary eye irritation. 12. Ecological Informator Please read Section 2 completely. If any environmental warnings such as: H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Toxicity Please read Section 2 completely. If any environmental warnings such as: H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Presistence and degradability No data available. Biodegradation No inherently biodegradable. Bioaccumulative potential Noni hiorentity biodegradable. Bioaccumulative potential Semi-mobile. Results of PBT and VPVB assert Toxic precoures in	Reactivity	There are no known reactivity hazards associated with this product.
reactions None known. Materials to avoid None known. Materials to avoid None known. Hzardous decomposition products None known. 11. Toxicological information None known. Information on toxicological effects Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any). Skin corrosion/Inflation Based on available data the classification criteria are not met. Eve contact May cause temporary eye irritation. Iz. Ecological Information Elsest erad Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2. please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Toxicity Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Paraletone and degradability No data available. Biodegradution No tinformationaibale. Biodegradution No information available. Biodegradution soli in Section 2 available. No data available. Biodegradution No information available. Biodegradution No information available.	Stability	No particular stability concerns.
Materials to avoid None known. Hazardous decomposition products None known. 11. Toxkotological information None known. 11. Toxkotological information Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any). Skin corrosion/infitation Based on available data the classification criteria are not met. Skin sensitisation Based on available data the classification criteria are not met. Ecotoxicity May cause temporary eye irritation. Ecotoxicity Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and cortainer. Do not put materials into waterways or severs. Toxicity Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and cortainer. Do not put materials into waterways or severs. Toxicity Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and cortainer. Do not put materials into waterways or severs. Foxicity No information Paratiton coefficient No information available. Biologradation No information available. Mobility in soil Semi-mobile	-	None known.
Hazardous decomposition products None known. 11. Toxicological information Information on toxicological effects Information on toxicological effects Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any). Skin corrosion/Inftation Skin sensitization Skin sensitization Based on available data the classification criteria are not met. Eye contact May cause temporary eye irritation. 12. Ecological Information Information 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Toxicity Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Toxicity Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Persistence and degradability No data available. Biodegradation Not information available. Bioaccumulative potential No information available. Mobility in soil Semi-mobile. Results of PBT and vPvB assessment Semi-mobile. Results of PBT	Conditions to avoid	None known.
products II. Toxicological information Information on toxicological effects Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any). Skin corrosion/initiation Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any). Skin sensitization Based on available data the classification criteria are not met. Eye contact May cause temporary eye irritation. 12. Ecological Information Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Toxicity Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Toxicity Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Persistence and degradability No data available. Bioaccumulative potential No information available. Mobility in soil Semi-mobile. Results of PBT and vPVB assessment Semi-mobile. Results of PBT and vPVB assess	Materials to avoid	None known.

13. Disposal considerations	
Waste treatment methods	
General information	Dispose of waste product or used containers in accordance with local regulations When handling waste, the safety precautions applying to handling of the product should be considered.
14. Transport information	
General	The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, DoT).
UN Number	
Not applicable.	
UN proper shipping name	
Not applicable.	
Transport hazard class(es)	
No transport warning sign requ	uired.
Packing group	
Not applicable.	
Environmental hazards	
Environmentally Hazardous Se	
Please refer to Section 2 for a please verify packaging and la	ny environmental hazards associated with this product. If H411/H412 warnings are shown then abeling requirements for larger volumes.
Special precautions for user	
Not applicable.	
Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code	Not applicable.
15. Regulatory information	
US State Regulations	
California Proposition 65 Caro None of the ingredients are lis	cinogens and Reproductive Toxins sted or exempt.
Inventories	
Canada - DSL/NDSL All the ingredients are listed o	or exempt.
US - TSCA All the ingredients are listed o	r exempt.
