## SAFETY DATA SHEET PC 56 Ancient Copper

30446-8126

1. Identification		
Product identifier		
Product name	PC 56 Ancient Copper	
Recommended use of the che	emical and restrictions on use	
Application	ceramic glaze	
Details of the supplier of the s	safety data sheet	
Supplier	American Art Clay Co Inc 6060 Guion Road Indianapolis, IN 46254-1222 USA Toll Free: 1-800-925-5195 ext. 1303 Local: 1-317-243-0066 ext. 1303	
Emergency telephone numbe	<u>r</u>	
Emergency telephone	1 317 243 0066 ext. 1303 Mon-Fri, 0900-1700 EST	
2. Hazard(s) identification		
Classification of the substanc	e or mixture	
Physical hazards	Not Classified	
Health hazards	Not Classified	
Environmental hazards	Not Classified	
Label elements Hazard statements Other hazards none present	NC Not Classified	
3. Composition/information or	n ingredients	
Mixtures	<u> </u>	
Composition comments	Only ingredients listed above are notifiable for this product. If none are shown then all ingredients are exempt.	
4. First-aid measures		
Description of first aid measu	res	
General information		
Ingestion	Do not induce vomiting. Rinse mouth thoroughly with water. Give a few small glasses of water or milk to drink. Get medical attention if any discomfort continues.	
Skin Contact	Wash skin thoroughly with soap and water.	
Eye contact	Rinse with water.	
Most important symptoms and effects, both acute and delayed		
Inhalation	Read Section 2 for any specific precautions associated with this product. In general, breathing any type of dust / mist can and may aggravate irritation of the throat and lungs.	

Item Numbers: 30446-8126

IngestionRead Section 2 for any specific precautions associated with the use of this product. Products with specific warnings about ingestion will give guidance there.Skin contactRead Section 2 for any specific precautions associated with the use of this product. In general most ceramic giazes, clays and special products will tend to have a drying effect on the skin and may cause some sensitivity to users with sensitive skin.Eye contactRead Section 2 for any specific precautions associated with the use of this product. In general most ceramic and appeal products contin materials that maybe abraive to eyes. Keeping materials from contacting the eyes is prudent. If contact does occur, flush with clean water, do not rub.Indication of Immediate medical tention and special treatment neededNotes for the doctorTreat symptomatically.6. Ingredient comments	Only ingredients listed n Section 3 are notifiable for this product. If none are shown then all ingredients are exempt.
Exposure controls	
Appropriate engineering controls	No specific ventilations requirements unless the "FAN" pictogram is shown above or specified in Section 2.
Eye/face protection	No specific eye protection required unless the "EYE PROTECTION" pictogram is shown above or specified in Section 2.
Hand protection	No specific hand protection required unless the "HAND PROTECTION" pictogram is shown above or specified in Section 2.
Hygiene measures	Using good personal hygiene practices is always appropriate. Keeping a clean work space, cleaning up properly when done, and not eating, drinking or smoking when using this product.
Respiratory protection	No specific respiratory protection required unless the "RESPIRATOR" pictogram is shown above or specified in Section 2. Using the appropriate certified protection for the operation is important if required.

### 9. Physical and Chemical Properties

## Information on basic physical and chemical properties

pH6-8Melting pointNo information availableInitial boiling point and rangeNo information availableFlash pointNo information availableFlash pointNo information availableEvaporation rateNo information availableFlammability (solid, gas)No information availableUpper/lower flammability or explosive limitsNo information availableVapor pressureNo information availableRelative densityGreater than 1.0Solubility(ies)Not applicable.Partition coefficientNo information availableAuto-ignition temperatureNo information available		
OdorAlmost odorless.Odor thresholdNo information availablepH6-8Melting pointNo information availableInitial boiling point and rangeNo information availableFlash pointNo information availableFlash pointNo information availableEvaporation rateNo information availableFlammability (solid, gas)No information availableUpper/lower flammability or explosive limitsNo information availableVapor pressureNo information availableRelative densityGreater than 1.0Solubility(ies)Not applicable.Partition coefficientNo information availableAuto-ignition temperatureNo information availableViscosityNo information availableKiscosityNo information availableKater than 1.0No information availableRelative propertiesNo information available	Appearance	Colored liquid.
Odor thresholdNo information availablepH6-8Melting pointNo information availableInitial boiling point and rangeNo information availableFlash pointNo information availableFlash pointNo information availableEvaporation rateNo information availableFlammability (solid, gas)No information availableUpper/lower flammability or explosive limitsNo information availableVapor pressureNo information availableRelative densityGreater than 1.0Solubility(ies)Not applicable.Partition coefficientNo information availableAuto-ignition temperatureNo information availableViscosityNo information availableFampositien TemperatureNo information available	Color	Various colors.

Solubility(ies)Not applicable.Partition coefficientNo information available.Auto-ignition temperatureNot applicable.Decomposition TemperatureNo information available.ViscosityNo information available.Explosive propertiesnone	Vapor pressure	No information available.
Partition coefficientNo information availableAuto-ignition temperatureNot applicable.Decomposition TemperatureNo information availableViscosityNo information availableExplosive propertiesnone	Relative density	Greater than 1.0
Auto-ignition temperatureNot applicable.Decomposition TemperatureNo information availableViscosityNo information availableExplosive propertiesnone	Solubility(ies)	Not applicable.
Decomposition TemperatureNo information availableViscosityNo information availableExplosive propertiesnone	Partition coefficient	No information available.
Viscosity         No information available           Explosive properties         none	Auto-ignition temperature	Not applicable.
Explosive properties none	Decomposition Temperature	No information available.
	Viscosity	No information available.
Oxidizing properties none	Explosive properties	none
	Oxidizing properties	none
Other information Not applicable.		

10. Stability and reactivity	
Reactivity	There are no known reactivity hazards associated with this product.
Stability	No particular stability concerns.
Possibility of hazardous reactions	None known.
Conditions to avoid	None known.
Materials to avoid	None known.
Hazardous decomposition products	None known.
11. Toxicological information	
Information on toxicological ef	fects
Toxicological effects	Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any).
Skin corrosion/irritation	
Skin sensitization	
Skin sensitization	Please read Section 2 thoroughly to understand the toxicological risks (if any) and precautions for safe use (if any).
Eye contact	May cause temporary eye irritation.
12. Ecological Information	
Ecotoxicity	Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers.
Persistence and degradability	
Persistence and degradability	No data available.
Biodegradation	Not inherently biodegradable.
Bioaccumulative potential	
Partition coefficient	No information available.
Partition coefficient Mobility in soil	No information available.
	No information available. Semi-mobile.
Mobility in soil	
<u>Mobility in soil</u> Mobility	
<u>Mobility in soil</u> Mobility Other adverse effects	Semi-mobile.
<u>Mobility in soil</u> Mobility <u>Other adverse effects</u> Other adverse effects	Semi-mobile.

Item Numbers: 30446-8126

#### 14. Transport information

General

The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, DOT).

#### UN Number

Not applicable.

#### UN proper shipping name

Not applicable.

#### Transport hazard class(es)

No transport warning sign required.

#### Packing group

Not applicable.

#### Environmental hazards

#### **Environmentally Hazardous Substance**

Please refer to Section 2 for any environmental hazards associated with this product. If H411/H412 warnings are shown then please verify packaging and labeling requirements for larger volumes.

#### Special precautions for user

Not applicable.

#### Transport in bulk according to Not applicable. Annex II of MARPOL 73/78 and the IBC Code

#### 15. Regulatory information

#### **US State Regulations**

#### California Proposition 65 Carcinogens and Reproductive Toxins None of the ingredients are listed or exempt.

#### Massachusetts "Right To Know" List

The following ingredients are listed: 2-aminoethanol <1% red iron oxide 5-10% Hydrated Aluminium Silicate 1-5% silica 5-10%

## Rhode Island "Right To Know" List

The following ingredients are listed:

2-aminoethanol <1% red iron oxide 5-10%

*Hydrated Aluminium Silicate* 1-5%

*silica* 5-10%

#### Minnesota "Right To Know" List

The following ingredients are listed:

2-aminoethanol

<1%

*red iron oxide* 5-10%

Hydrated Aluminium Silicate 1-5%

*silica* 5-10%

New Jersey "Right To Know" List

The following ingredients are listed:

#### Pennsylvania "Right To Know" List

The following ingredients are listed:

2,2,2 Hexahydro-1,3.5-triazine-1,3,5 triyl triethanol <1%

red iron oxide 5-10%

Hydrated Aluminium Silicate 1-5% silica 5-10%

#### Inventories

Canada - DSL/NDSL

All the ingredients are listed or exempt.

**US - TSCA** All the ingredients are listed or exempt.

#### US - TSCA 12(b) Export Notification

All the ingredients are listed or exempt.

#### 16. Other information

General information	The following are the top 5 materials by weight listed for New Jersey (if applicable):- Water 7732-18-5, Feldspar68476-25-5, Non Lead Frit65997-18-4, Nepheline Syenite37244-96-5 Gillespie Borate
Revision date	12/8/2016
Revision	44
Supersedes date	7/21/2016
SDS No.	6039

Item Numbers: 30446-8126
