Conformity

ISO 11540 "Caps for writing and marking instruments intended for use by children up to 14 years of age – Safety requirements".
Ventilated caps reduce the danger of asphyxiation for children up to the age of 14 should caps be swallowed accidentally.

ASTM D-4236 Conform to the US-Standard ASTM D-4236. According to the standard, a qualified toxicologist tests the products.

The products meet the Regulations (EG) No. 1907/2006 (REACH) and No. 1272/2008 (CLP) concerning the Registration, Evaluation, Authorization and Restriction of Chemicals.
In accordance with REACH Regulation 1907/2006/EC, Article 33, you will find our current articles subject to mandatory reporting under the following link <https://www.staedtler.com/REACH>

Usage notes

Double-ended fibre-tip pens with brush tip for beautiful watercolour effects on most watercolour papers.
Ideal for detailed sketching and illustration.
Line width: Brush tip ~ 1.0 – 6.0 mm
Fine tip ~ 0.5 – 0.8 mm.

Staedtler has been certified to ISO 9001 and ISO 14001 and considered in the selection of raw materials and their processing in the relevant national and international laws to protect the users.
