Safety Data Sheet

A safety data sheet is not required for this product. This Product Safety Information Sheet has been created on a voluntary basis

satety data sheet is not required for this product. This F	Product Safety Information Sheet has been created on a voluntary basis	
4.2. Most important symptoms and effect	ts (acute and delayed)	
Potential adverse human health effects and symptoms	: Based on available data, the classification criteria are not met.	
Symptoms/effects	: Not expected to present a significant hazard under anticipated conditions of normal use.	
.3. Immediate medical attention and sp	ecial treatment, if necessary	
reat symptomatically.		
ECTION 5: Fire-fighting measures		
.1. Suitable (and unsuitable) extinguish	ing media	
Suitable extinguishing media	: Foam. Dry powder. Carbon dioxide. Sand.	
Unsuitable extinguishing media	: Do not use a heavy water stream.	
5.2. Specific hazards arising from the ch		
Fire hazard	: No fire hazard.	
5.3. Special protective equipment and p		
Firefighting instructions	: Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire fighting water from entering the environment.	
Protection during firefighting	: Do not enter fire area without proper protective equipment, including respiratory protection.	
ECTION 6: Accidental release meas	sures	
.1. Personal precautions, protective eq	uipment and emergency procedures	
.1.1. For non-emergency personnel		
Emergency procedures	: Evacuate unnecessary personnel.	
.1.2. For emergency responders		
Protective equipment	: Equip cleanup crew with proper protection.	
Emergency procedures	: Ventilate area.	
.2. Environmental precautions		
Prevent entry to sewers and public waters. Notify	authorities if liquid enters sewers or public waters.	
.3. Methods and material for containme	ent and cleaning up	
Methods for cleaning up	: Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible. Collect spillage. Store away from other materials.	
.4. Reference to other sections		
See Heading 8. Exposure controls and personal	protection.	
ECTION 7: Handling and storage		
.1. Precautions for safe handling		
Precautions for safe handling	: Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapour.	
.2. Conditions for safe storage, including	ng any incompatibilities	
Storage conditions	: Keep only in the original container in a cool, well ventilated place away from : Direct sunlight, Heat sources. Keep container closed when not in use.	
Incompatible products	: Strong bases. Strong acids.	
Incompatible materials	: Sources of ignition. Direct sunlight.	
SECTION 8: Exposure controls/pers	onal protection	
.1. Control parameters

Boiling point	: No data available
Flash point	: No data available
Relative evaporation rate (butylacetate=1)	: No data available
Flammability (solid, gas)	: Non flammable.
Vapour pressure	: No data available
Relative vapour density at 20 °C	: No data available
Relative density	: No data available
Solubility	: No data available
Log Pow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available
Explosive limits	: No data available
Explosive properties	: No data available
Oxidising properties	: No data available
9.2. Other information	
No additional information available	
SECTION 10: Stability and reactivity	
10.1. Reactivity	
The product is non-reactive under normal condit	ions of use, storage and transport.
10.2. Chemical stability	
Stable at ambient temperature and under norma	l conditions of use
10.3. Possibility of hazardous reactions	
None under normal use.	
10.4. Conditions to avoid	
Direct sunlight. Extremely high or low temperatu	res.
10.5. Incompatible materials	
Strong acids. Strong bases.	
10.6. Hazardous decomposition products	\$
Carbon monoxide. Carbon dioxide.	
SECTION 11: Toxicological informat	tion
11.1. Information on toxicological effects	
Acute toxicity (oral)	: Not classified

Item Numbers: 82540-1509

Safety Data Sheet

A safety data sheet is not required for this product. This Product Safety Information Sheet has been created on a voluntary basis

A salety data sheet is not required for this product. This P	Toduct Salety mormation Sheet has been created on a voluntary basis
Acute toxicity (dermal)	: Not classified
Acute toxicity (inhalation)	: Not classified
Skin corrosion/irritation	: Not classified
Serious eye damage/irritation	: Not classified
Respiratory or skin sensitisation	: Not classified
Germ cell mutagenicity	: Not classified
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
STOT-single exposure	: Not classified
STOT-repeated exposure	: Not classified
Aspiration hazard	: Not classified
Viscosity, kinematic	: No data available
Potential adverse human health effects and symptoms	: Based on available data, the classification criteria are not met.
Symptoms/effects	: Not expected to present a significant hazard under anticipated conditions of normal use.

SECTION 12: Ecological information

12.1. Toxicity

No additional information available

12.2. Persistence and degradability WINSOR & NEWTON STUDIO COLLECTION PENCILS

Persistence and degradability Not established. 12.3. Bioaccumulative potential WINSOR & NEWTON STUDIO COLLECTION PENCILS Bioaccumulative potential Not established. 12.4. Mobility in soil No additional information available

12.5. Other adverse effects

Other information

: Avoid release to the environment.

SECTION 13: Disposal considerations				
13.1. Disposal methods				
Product/Packaging disposal recommendations	: Dispose in a safe manner in accordance with local/national regulations.			
Ecology - waste materials	: Avoid release to the environment.			
SECTION 14: Transport information				
Department of Transportation (DOT)				
In accordance with DOT				
Not regulated				

Transportation of Dangerous Goods

Not regulated

Transport by sea

Not regulated

Safety Data Sheet

A safety data sheet is not required for this product. This Product Safety Information Sheet has been created on a voluntary basis

Air transport

Not regulated

SECTION 15: Regulatory information

15.2. International regulations

CANADA

Not classified according to the criteria of Consumer Chemicals and Containers Regulations, 2001 (SOR/2001-269).

EU-Regulations

Not classified according to criteria of REGULATION (EC) No 1272/2008 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 16 December 2008 on classification, labelling and packaging of substances and mixtures.

National regulations

No additional information available

15.3. US State regulations

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer, developmental and/or reproductive harm

SECTION 16: Other information

A safety data sheet is not required for this product. This Product Safety Information Sheet has been created on a voluntary basis

Data sources Other information REGULATION (EC) No 1272/2008 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 16 December 2008 on classification, labelling and packaging of substances and mixtures, amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006.
 None.

SDS US (GHS HazCom 2012)

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product.
