

RESPONSIBLE TEES

ECO-CONSCIOUS, HUMANE MANUFACTURING

W.R.A.P. CERTIFICATION

BELLA+CANVAS has received platinum level certification from W.R.A.P. (Worldwide Responsible Accredited Production) an independent group of social compliance experts that verify factories are certified safe, lawful, humane and ethical. W.R.A.P. accreditation validates that BELLA+CANVAS is 100% sweatshop free!

ALTERNATIVE ENERGY USES

BELLA+CANVAS has solar panels at headquarters, to utilize alternative energy sources, as well as electric car charging stations for employees.

ECO-CONSCIOUS OPERATION

BELLA+CANVAS has a comprehensive recycling program. Everything that is not turned into a tee is either recycled or repurposed, and the sewing floor creates almost no waste. Other factories make enough waste to fill several swimming pools daily, but BELLA+CANVAS chooses to be proactive and reduce their impact on the environment. The BELLA+CANVAS warehouse is paper-free, and all lighting throughout the warehouses and headquarters are motion-censored to save energy!

COMPANY CULTURE

BELLA+CANVAS believes in a healthy, balanced lifestyle; offering yoga/fitness classes 5 days a week, an on-site gym, and organic coffee/tea to employees.
