BLICK ARTISTS' PASTELS

Available in a variety of vibrant colors and soft hues, BLICK Artists' Soft Pastels are ideal for all types of pastel painting and color sketching.

We created our soft pastel line by combining the finest pigments with a minimal amount of binder. The result? A velvety texture that offers easy laydown, consistent coverage, and a minimum of crumbling — ideal for blending, layering, and softening. They're also extremely lightfast!

For professional quality at an affordable price, choose BLICK Artists' Soft Pastels.
